

DEPARTMENT OF ECE
MODEL EXAM TIME TABLE
II, III,IV YEAR

Date	II ECE A	II ECE B	III ECE A	III ECE B	IV ECE A	IV ECE B
15.10.2016	Electronic Circuits- I	Transforms and Partial Differential Equations	Environmental Science and Engineering	Microprocessors and Microcontrollers	RF and Microwave Engineering	Digital Image Processing
17.10.2016	Object Oriented Programming and Data Structures	Digital Electronics	Transmission Lines and Wave guides	Digital Communication	Radar and Navigational Aids	Electro Magnetic Interference and Compatibility
19.10.2016	Signals and Systems	Electronic Circuits- I	Principles of Digital Signal Processing	Environmental Science and Engineering	Embedded and Real time systems	RF and Microwave Engineering
21.10.2016	Electrical Engineering and Instrumentation	Signals and Systems	Digital Communication	Transmission Lines and Wave guides	Optical Communication and Networks	Radar and Navigational Aids
24.10.2016	Digital Electronics	Object Oriented Programming and Data Structures	Microprocessors and Microcontrollers	Principles of Digital Signal Processing	Electro Magnetic Interference and Compatibility	Embedded and Real time systems
26.10.2016	Transforms and Partial Differential Equations	Electrical Engineering and Instrumentation			Digital Image Processing	Optical Communication and Networks

Model Exam Marks will be Considered as III Internal marks

HOD/ECE
